

6 Foot Down (Words & Music by Kjetel A Idland)

1,2 find you guilty
Your grime is raping yourself
1,2 it's your guilt inside
Distant voice, Im enlightened
3,4 right into the core
Say your prayers
Im no Jesus Christ

Reflecting psychology
Daring philosophy
Vengeance as a friend
And 2 times on your grave

1,2 Envy is a deadly sin
I can tell where you been
1,2 your the hatet one
Self-secure, nothing grows In the dark
3,4 right into the core
Your lovely
Im no Jesus Christ

Reflecting psychology
Daring philosophy
Vengeance as a friend
And 2 times on your grave
Reflecting psychology
Daring philosophy
Vengeance as a friend
Mary is lying 6 foot down

1,2 Rebels In jail tonight
Hail hail standing under the light
1,2 Mary shoot the little lamb
I can see your In for the fight
3,4 Killers are you sure
All right up up In the sky

Reflecting psychology
Daring philosophy
Vengeance as a friend
And 2 times on your grave
Reflecting psychology

Daring philosophy
Vengeance as a friend
Mary is lying 6 foot down

1,2 Here's no evil trix
Working hard, carving a testament
1,2 Peace is a simple word
Tutti Fruity got blown by a whore

Reflecting psychology
Daring philosophy
Vengeance as a friend
And 2 times on your grave
Reflecting psychology
Daring philosophy
Vengeance as a friend
And Mary is lying 6 foot down

Yeah 6 Foot down
