

Gods & Monsters (Words & Music by Kjetel A Idland)

You keep on talking
God save your soul now
Monsters end up In the fire
And you keep on running
Until you can't stop turning
I see your feets are burning are you tired from the quest
Want to make It like the rest

Up side turn down (Turn down)
I see you hit the ground (Hit the ground)
Cross hands turn around
Meet me 5 Am

So you think your winning
But hear the crowd singing
When the blood Is all around
Is it to late and sealed by fate

Up side turn down (Turn down)
I see you hit the ground (Hit the ground)
Cross hands turn around
Meet me 5 Am

Yeah !

You keep on talking
Satan save your soul now
God had issues
Got burned In the fire

Up side turn down (Turn down)
I see you hit the ground (Hit the ground)
Cross hands turn around
Meet me 5 Am
