# Merky Waters (Words & Music by Kjetel A Idland)

Just woke up from a dream
Nothing what It seems
You been a tease
Domino & sweets

Lets shake up merky waters
Lets tear down walls
Lets shake up merky waters

Skunk hanging from trees
Not a touch by doves
Death chapel found
Dream a smell undone

Lets shake up merky waters
Lets tear down walls
Lets shake up merky waters

Greet indeed
Or let me rip off your thoughts
Greet indeed
Or leave it hanging for the tugs

Priest on a last crusade
Got acid sights
Want discretion treat
Domino & sweets

Lets shake up merky waters
Lets tear down walls
Lets shake up merky waters
Lets tear down walls
Lets shake up jerky waters

Bite your hand that feeds
Bite your hand that feeds
Skunk smoke your treat
