When There Were Gods (Words & Music by Kjetel A Idland)

Sometimes I feel like a child, running wild
Maybe that's when we're really alive
One tear for freedom & 1 that hurts
A thousand ways back to Rome

Falling, falling down
When these tears hit the ground
Falling, falling down
When these tears hit the ground
Falling down

Sometimes memories comes back, to hunt you down
It doesn't bother me no more
One tear for freedom & 1 that hurts
A thousand ways leads to Rome

Falling, falling down
When these tears hit the ground
Falling, falling down
When these tears hit the ground
Falling down

Falling, falling down
When these tears hit the ground
Falling, falling down
One more road leads to Rome
Falling down
